

#### LEGAL ADVERTISEMENT (Alexandria Town Talk)

The Village of Forest Hill seeks proposals from qualified contractors to sell and to install an Automatic Meter Reading (AMR) System for Water & Gas Utilities. The Village of Forest Hill will obtain a system which provides the best long-term value over the system's lifetime. A proposer should be a licensed or certified distributor for a single proprietary brand of the different components of the system (one manufacturer if possible) including the water and gas endpoints, water meters, gas meters, meter reading equipment and meter software.

Proposals will be submitted electronically through LaMATS e-Auction & Bid Services at <https://lamats.eauctionservices.com>. Interested proposers must register on the website to access the full specifications and requirements. Thereafter, proposals are due by 2:00 pm CDT on Thursday September 29, 2022. Proposals will be opened, and the results will be posted online and by the Village of Forest Hill at its Town Hall, 4300 Highway 112, Forest Hill, LA 71430.

Questions should be directed to the Village Clerk, Laural Strange (318)748-6300.
